

iCentric™ Series

ergoCentric®
ergocentric.com

iCentric™ combines elegance with superior ergonomics.

The iCentric series is a full line of ergonomic chairs for task, multi task, management, executive and guest use. Combining elegance with superior comfort the iCentric provides a wide upper back and gives full shoulder support. The wide upper shape of the iCentric back is pulled inward to embrace and support the lumbar region while allowing free arm movement for numerous applications.
